### PLAN TO ATTEND

Wed, Feb 1, 2006 , 7:30pm  
Guelph PS Student's Night

Royal Canadian Legion  
919 Victoria Road, Guelph, ON

An Evening with  
Derek Hatfield,  
Skipper of "*Spirit of Canada*"

### Canada's distinguished entry in the 2006 5-Oceans Race

Derek was the Canadian entry in the 27,000 mile **Around Alone** single handed race in 2002-2003 (an incredible story). He is building an Open 60 vessel to compete in the next race, now named **5-Oceans**, which begins in September 2006.

This solo circumnavigation of the world tests the participant's endurance and courage to the limit. Derek will tell us of preparations for the race and progress on the new boat. Hear some amazing details of the last race.

Whether you are a racer or cruiser, power or sail, this evening promises to be a highlight of the year for anyone who attends.
